

EQUIPMENT LIST

DESIGN/PREPRESS

Postscript

- 16 Macintosh workstations: 3.0 GHz Dual Core processors with 4 GB 1067 MHz DDR3
- Esko Suite 12 Print Production Software, including Webcenter and Automation Engine
- 100/1000 Base-T LAN with gigabit backbone, connected to Mac OSX 10.5.8 Server with 2 x 2.6 GHz Dual Core processors, 12 GB RAM and 13.6 TB Promise SAN Storage
- Digital Asset Management system providing secure access to clients via the internet
- Integrated Realtime Proofing/Virtual Matchprint contract level electronic proofing system with integrated remote proofing

Digital Proofing

- Kodak Approval NX-4 halftone dot proofer, 2400 DPI, 26.5" x 20.5" max image
- Epson 9900 inkjet proofer, 1440 DPI, 42" x roll length max image
- Epson 4900 inkjet proofer, 1440 DPI, 17" x roll length max image
- Epson 4800 inkjet proofer, 1440 DPI, 17" x 22" max image
- Epson D-Jet, 2 sided inkjet proofer, 44" x roll length max image
- Epson SCT 5000 1-sided inkjet proofer, 36" x roll length max image

Platemaking

- Kodak Magnus 800 Quantum V platesetter w/multi-cassette loading unit and inline processing
- Creo Trendsetter Spectrum 3244 CTP thermal platesetter

PRINTING

Sheetfed Offset

- Heidelberg Speedmaster XL105 six-color press w/aqueous coating tower and Prinect CP2000 Center: Fully automated w/maximum sheetfed productivity, max sheet: 29.5" x 41.3"
- Heidelberg Speedmaster XL105-4-P four-color perfecting press and Prinect Press Center: Fully automated w/maximum sheetfed productivity, max sheet: 29.5" x 41.3"
- Heidelberg Speedmaster CP Tronic six-color press with electronic console: Autoplate, Model CD-1026 + L aqueous coating tower, max sheet: 28" x 40"
- Polar pile turner with jogger and aerator
- Custom ink matching capabilities

Digital Printing

- Xerox iGen4 EXP Digital Production Press, 4 color process perfecter with variable data capability, max sheet: 14.3" x 26"
- Xerox Phaser 7800DN, 4 color process perfecter with variable data capability, max sheet: 13" x 19"

BINDERY

- Seybold Citation 42" cutter with micro-cut
- Polar 137 ED 54" cutter with lift and jogger
- Polar 115 ED 45" cutter
- Stahl 30" x 40", 3 section folder
- Stahl Ti 52/36 20" x 40", minifolder
- Stahl 23" x 30", 3 section folder
- VSA Presser/stacker
- Muller Martini "Minuteman" 6 pocket plus cover saddle stitcher
- Moll Regal folder gluer w/tipper plate
- Bobst SP Evoline 102-E diecutter
- Spiral Binding Wire-mac wiro binding system
- Baum 3-hole drill press
- Fenimore in-line punch
- Texwrap 2219 shrink wrap system
- Bestronic shrink wrap system
- Bantam 1 paper counter
- M.J. Malis Wulftec turntable stretch wrapper

MAILING

- 6 Station Jumbo Inserter, #9 Envelope - 9" x 12" Envelope
- Stealth Inkjet System w/ 12" Conveyor, 4" Print Area
- Feeder Unit
- Secap Tabber Jet 1 w/ 4" Label Kit
- USPS tray strapper
- Bell & Howell C8-7200 8 Station Inserter, max 6 x 9 envelope
- Pitney Bowes DM900 Mailing Machine
